

LIVERPOOL, United Kingdom.

The University of Liverpool

The University of Liverpool offers exceptional venues which are available throughout the year.

The **Foresight Centre** is a city centre purpose built conference facility, effortlessly combining traditional features of the building with modern meeting facilities whilst the nearby **Victoria Gallery & Museum** is one of the University's original red brick buildings and offers a unique setting for dinners and drinks receptions. Over on the Wirral, the botanical **Ness Gardens** is a stunning venue for hosting conferences, team building and training events.

Location

The Foresight Centre and Victoria Gallery & Museum are located moments away from Liverpool Lime Street mainline station, and Ness Gardens are 20 minutes from the city centre on the Wirral.

The Properties

The Foresight Centre - holds up to 160 delegates with 15 meeting rooms
Victoria Gallery & Museum – tiered lecture theatre for 220 delegates and gala dinners up to 120

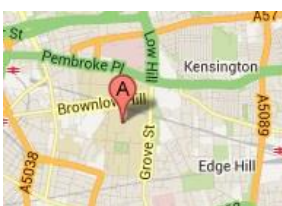

Ness Gardens – tiered lecture theatre for 160 delegates and syndicate spaces available too

Unique Features

All these venues offer year round availability with a professional and dedicated team to assist with your event. The Foresight Centre boasts video conference facilities and IT training facilities whilst all venues have stunning architecture and historical significance. Make the University of Liverpool your educated choice for your next event!

Transport

From John Lennon Airport then you can get a 20 minute taxi into the city centre, or you could get the express bus service that takes 25 minutes. Liverpool Lime Street station is short walk to the University of Liverpool central campus, whilst Ness Gardens is a 20 minute taxi ride.
